

Copy to Hugh Dougherty 2/14/62

COUNTY OF MARIN
INTER-OFFICE MEMORANDUM

Planning

TO: Board of Supervisors

DATE February 13 19 62

FROM: Mary Summers

The attached copy of a letter from the Progressive Club of Stinson Beach regarding the Planning Commission's proposed amendment of the Bolinas-Stinson Beach Master is transmitted for your consideration, since it was received too late for Commission consideration.

cc: Harriet M. Greene, Secretary
Stinson Beach Progressive Club

P. O. Box 217

February 12, 1962

Marin County Planning Commission
1711 Grand Avenue
San Rafael, California

Gentlemen:

At its February 7th meeting Progressive Club of Stinson Beach discussed the Bolinas/Stinson Beach Master Plan and went on record with the following recommendations:

1. That no property be withdrawn from the Bolinas/Stinson Beach Master Plan (as proposed in agenda item #1 Planning Commission Hearing January 22nd).

If it should be found desirable to include these areas in a proposed Master Plan for the Olema/Point Reyes Area we feel that withdrawal from the Bolinas/Stinson Beach Master Plan should be concurrent with their inclusion in some other Master Plan.

We feel this important in that withdrawal of lands from a Master Plan can establish unfortunate precedents tending to vitiate the whole Master Plan concept.

2. Recognizing that effectiveness of a Master Plan depends upon the existence of zoning ordinances, we once again wish to urge that suitable zoning ordinances in the Bolinas/Stinson Beach Master Plan be prepared for submission to the Board of Supervisors at the earliest possible date.

Yours very truly

PROGRESSIVE CLUB OF STINSON BEACH

Harriet M. Greene
Secretary

cc Supervisor Peter Behr.

The Stinson Beach Progressive Club

STINSON BEACH, CALIFORNIA

March 1, 1962

Dear Member and Friends:

We take this opportunity of reporting to you on the activities of Progressive Club in 1961 and 1962 to date.

Our Club is primarily interested in all phases of local and public affairs and we have taken an active part in all matters to the best of our ability. During the past year we had two active Committees: one on Flood Control and one on Sanitation. The work of the Flood Control Committee was finalized in October 1961 when the Board of Supervisors established a Flood Control Zone #3 for Stinson Beach and made available funds to clean out the drainage creek in the Chas. Robinson Tract. The work was done by the County Department of Public Works and in their opinion yearly maintenance of the creek will be all that is needed for some time to come.

At our February 1962 meeting we resolved to sponsor the formation of an appropriate special district to study and handle sewerage problems in Stinson Beach and the Committee on Sanitation was authorized to proceed toward the formation of such a district. This Committee is under the able Chairmanship of Mr. Hugh Dougherty.

The matter of school unification has been discussed and studied during the past several months and the Club is on record with the County Committee on School District Organization as approving the inclusion of our elementary school district into a unified district with Tomales Joint Union High School District.

We have continued to follow closely the matter of relocation of State Highway No. 1; and have written the California Highway Commission urging prompt action in making decision as to route.

We worked and cooperated with the Bolinas-Stinson Beach Master Plan Committee in the matter of a Master Plan for the two areas; which plan was passed and adopted by the Board of Supervisors in July 1961.

We invite your cooperation as a member of Progressive Club with the hope of building up our membership this year, and enclose an addressed envelope for dues. Your membership will be appreciated.

Respectfully

PROGRESSIVE CLUB OF STINSON BEACH
Thomas R. Tawns, President
Elting C. Hubbard, Vice President
Margaret West, Treasurer
Harriet M. Greene, Secretary
